A stylized, graphic illustration of the Statue of Liberty and the New York City skyline at sunset. The Statue of Liberty is on the left, with her crown and torch visible. The city skyline is in the background, with the Empire State Building prominent on the right. The sky is a mix of orange, yellow, and blue, with a large, bright sun or moon. The water in the foreground reflects the colors of the sky and the bridge. The overall style is reminiscent of mid-century modern graphic design.
