DIE NIBELUNGEN

A dramatic illustration in a dark, moody style. In the foreground, a small figure of a hero (Siegfried) stands on a rocky outcrop, holding a sword aloft. He is facing a massive, dark dragon (Fafnir) that dominates the middle ground. The dragon's head is lowered, and its body is covered in scales and spikes. In the background, a castle with multiple towers is perched on a high, rocky peak. The castle is on fire, with flames and smoke rising from its towers. A large, full moon hangs in the dark sky, and a few stars are visible. The overall color palette is dominated by dark blues, greys, and a warm, golden-yellow light from the moon and the fire.
